We have 220 pavers requested and are going to the engravers in August. If you would like to have your special veteran included in this group of pavers and ready for this Veteran's Day, please have your request in by the end of July. Order sheets are in the back of the church, on the display, or can be picked up at the Pastoral Center. You can also print out a request form from the St. Rose web site. We have room for 345 pavers. Thank you to all of you who have participated in this heartfelt and worthwhile monument.

***Dear Parishioner...Around and about Ste. Rose,  
The Elevator/Lift***

As many of you know, our handicap accessible elevator had been out of order since mid-May. We're sorry for the inconvenience this has caused many of you. We're happy to report it is now running. Like many of our appliances today, after much use things wear out, and we must either fix it or replace it, sometimes at an enormous cost. Needless to say, the Selector Board on the elevator failed and needed to be replaced. Most of the delay was waiting for a Selector Board to be delivered and installed along with all else that goes with its proper operation. Over the past two months, this repair from troubleshooting (at a cost of \$2,035 in May) and replacement and installation (\$7,050 in June) has come up to a hefty cost of just over \$9,000. This has been one of our most costly fixes to the elevator/lift since its installation, however, there have been a few other expensive repairs in the past. With that said, we ask that you treat the elevator with respect. It was installed basically as an elevator/lift to transport our handicap into the Church and up and down to the Church Hall. Those most impacted by it being out of service were those very people. We are committed to making our beautiful Church accessible to all who wish to worship here. We thank you for your generosity in your weekly contributions that make repairs, such as this possible. Again, thank you!

Wishing you all a peaceful and enjoyable summer!

***Fr. Bill***

### FIFTEENTH SUNDAY IN ORDINARY TIME

**FOCUS:** *Love of God and love of neighbor are essential for the life of a believer.* Both the Old and New Testaments emphasize the centrality of loving God and our neighbor. In the first reading, we hear Moses stressing the importance of this in one of the final speeches of his life. In the Gospel, Jesus' parable of the Good Samaritan expands the understanding of "neighbor" to include those we might consider strangers or even enemies, and "love" modeled on his example of selflessness and sacrifice.

**LITURGY OF THE WORD** Moses entreats the people to *return to the Lord, your God, with all your heart and all your soul.* Paul writes of Christ as *the firstborn of all creation*, who reconciled all things in himself. In the Gospel, Jesus converses with a scholar of the law and commends him for knowing the law. He then uses the parable of the Good Samaritan to challenge the scholar to treat everyone with mercy.

A sample paver is now set up in the back of the church with extra request forms. Forms are also available at the Pastoral Center or can be printed from the church website, [www.sterose.org](http://www.sterose.org). *There is a print button under the Veteran's Memorial Park announcement.* The first group of brick requests will go to the engravers at the end of July in order to have them here and in place by Veteran's Day in November.
