They were overjoyed at seeing the star, and on entering the house they saw the child with Mary his mother. They prostrated themselves and did him homage. - Mt 2:10-11a

As I sit in my office thinking about the sheer number of gifts that were received from the "Giving Tree", I am a little overwhelmed. It is truly amazing the number of gifts that came into the parish! It speaks to the generous heart of each and everyone one of you. I want to thank you for your kindness and generosity. I am not only speaking on my behalf, but on the behalf of those who were the beneficiaries, thank you so very much. It meant the world to those who received the gifts, mostly to know that they were not forgotten. Thank you for making this Christmas a special day for so many people.

ELMS COLLEGE COLLECTION—January 3 & 4, 2026

Each year, and especially this year, the College community owes much gratitude for the prayers and generosity of our entire diocesan family. Last year, parishioners across the Diocese contributed over \$28,000. in support of Elms College students, and for this we are most grateful. As a result, the college was able to strengthen the *Founders' Fund for Excellence*, which assists in providing financial aid. As you may know, Elms College has created a special Catholic scholarship for students graduating from a Catholic High School in the diocese. We thank you for your continued support!

BLESSINGS!

Epiphany Blessing, Explained

The Epiphany household blessing is a centuries-old tradition that invokes God's blessing on all who enter one's home.

All you need for an Epiphany blessing is chalk, which is usually made available by parishes either on the feast of the Epiphany or in the weeks leading up to it. There are a few different formulas for blessings out there, but the essence of the ritual is always the same: a priest or the head of the household calls down God's blessing on the house and everyone who comes into it, and an inscription is made above the door in chalk.

The inscription reads: the first two digits of the year + C + M + B + the last two digits of the year. The initials C, M and B represent the names of the magi — Caspar, Melchior and Balthasar — and also signify the Latin phrase *Christus mansionem benedicat*: "May Christ bless the house."

The Three Wise Men

Question:

Magi, Three Kings, Three Wise Men...who were they?

Answer:

We sing songs, give gifts, and move three mysterious men into our manger scenes. There's a rich heritage in the Catholic Church of celebrating the magi, but their origins are steeped in mystery. The original Greek calls these men *magoi*. The word is translated elsewhere in Scripture to mean "magician," but a similar word was used in ancient history to describe an entirely different set of people altogether. In what is now modern-day Iran, the ruling empire had a wealthy priestly caste known as the Magi. At the time of Christ, the Magi formed one of the ruling councils of the Parthian Empire. These priests interpreted dreams and read the stars to anticipate major events that could affect the fortunes of the empire. We're not exactly sure where the magi of the Gospels traveled from. Matthew simply says "the east." History tells us that the ancient regions of Persia, Assyria, and Babylon all had a magi priesthood at the time of Christ. Whichever region they hailed from, they likely traveled over one thousand miles over the course of several months to arrive at the Holy Family. Unfortunately for the classic song, there is no concrete evidence these men were themselves kings, though they did bear gifts "from afar" at the prompting of their astronomical calculations.

SAINT JOAN OF ARC—is pleased to announce that the school was the recipient of a most generous gift of \$5000.00. Once again showing that the generosity that surrounds SJA School and its mission, is still very important to this community!
